Why use YBR Conveyancing?

We love what we do and that is truly a testament to the level of our experience. We can proudly say that we have been engaged in over 750,000 property related transactions. There is in reality no job too small or too big for YBR Conveyancing.

We believe in providing a premium service at an affordable price.

Online Tracking

Gain access to our online portal to track all your property progress. Our software is built around providing the best possible service and tracking to our Clients.

Customer Service

Our firm is committed to providing premium conveyancing services at an affordable price. We do not believe in quantity over quality and we treat every matter with the attention that it deserves.

Nationwide Solicitors

Our firm is focused on a National Conveyancing platform where our Solicitors are admitted to practice in every State and Territory across Australia.
